

**TransVision Represents at Equality and Parity II:
A Statewide Action for Transgender HIV Prevention and Care**

The second statewide conference on Transgender HIV Prevention and Care was held over 3 days in Los Angeles from 1/26-1/28, 2009. The first one was held in 2005 in San Francisco. The TransVision team, Tanajsha, Brandy, Mimi, and Tiffany attended the conference.

Tiffany, who is the Chair of the Executive Committee of the State Wide Community Advisory Board (CAB) for the Center of Excellence for Transgender HIV Prevention , UCSF, (COE) presented with the COE in Tuesday's opening Plenary. The COE is the unofficial advisory body to the State Office of AIDS on transgender issues.

Trans community members, providers, health professionals, Public Health Department staff, State OOA staff, and CDC staff and others came from all over the California to present, learn, share, and network. The TransVision Team made their presence known along with Alameda County Office of AIDS staff Shelly Stinson, making sure that Alameda County was represented.

TransVision would like too thank Kama Brockman, State of Office of Aids and conference AJ King, Conference Coordinator, for all of their hard work and access to scholarships. Tiffany would like to congratulate Joanne Keatley, the Executive Committee and the COE staff for a successful Plenary and CAB members on their fabulous workshops and presentations.

Center of Excellence for Transgender HIV Prevention, UCSF.

The TransVision Team: Mimi, Tiffany, Tanajsha.
