Community Partner Award**

Mission Statement

TransVision's mission is to provide a safe, welcoming, and trustworthy program for transgender women in a supportive and non-judgmental environment. We are committed to providing services that affirm and empower transgender women, as well as providing access to quality health care that includes HIV prevention, testing, and treatment.

With the tools of education and outreach, we challenge the communities of

Introduction

TransVision is an award-winning resource for transgender/transsexual women in Alameda County.

However you define transgender, if you need information, health care, support or someone to talk to, we are ready to serve you. If we cannot help you, we will find someone who can. We believe that being transgender, transsexual, gender queer or gender variant is a gift and you deserve to be provided with the best services possible.

TransVision is based on a foundation of confidentiality and access to care

Menu of Services
